

Harmony Historical Society 2021 Folk Fair

1943 Open Meadows Road, Ashville, NY 14710

September 18th, 2021

Vendor Application

All new artisans and craftsmen wishing to vend at the folk fair, are asked to send 3 good photos of the work they plan to sell. Please send these with your application. These photos will be used to jury entry and place you in a suitable location for your goods. (Please note, baked goods in your booth do not necessarily make you a food vendor, but may require a Chautauqua Co Health Certificate which needs to be displayed and item must be listed in this application as one of your merchandising items.)

We strive to represent a "Folk Fair"; and ask that all artisans create their own work. It will also reflect well on the festival if artisans wear period clothing, as they are about for the day. Demonstrating your craft is strongly encouraged. If you plan to demonstrate at the festival, please state this on your application and any extra space you may need. (No fee for demonstration area) our hope is that all that come will enjoy their experience.

Each accepted vendor will be allotted an area for a 12' x 12' pavilion or pop-up shade.

Fees and Dates

Merchant vendors \$30.00 before July 31, 2021
